To Whom It May Concern:

Thank you for your interest in starting a Vision International Education Network Resource Center. From the first mailing to you, you should have received, and hopefully have reviewed our Introductory DVD by Dr. Ken Chant and World Zone Leaders of Vision. Further, the one page flyer presented a very brief description of the benefits of having a Vision Resource Center in your church or ministry and an overview of competency-based vocational training which describes the core values of our educational ministry. We hope that this packet will provide you with the additional information to encourage you to join our growing family of Resource Centers.

The various flyers in this packet provide considerable information on the benefits of starting a ministry training program in your local church or ministry. Included you will find:

- **"What Others Are Saying"**....has testimonies of various well known ministries that recognize the dynamic benefits of utilizing Vision courses to bring Christian education and ministry training directly to the students in your community.
- **"Network Fact Sheet"**....contains detailed information about the qualification and accreditation of Vision. It provides information about the process of starting a Resource Center its administration. It also describes the financial requirements between the Affiliate Resource Center and Vision International.
- **"Policy Statement/State Compliance"**....describes the idiosyncrasies of various state laws regarding operating a college or school of ministry. Check this page regarding the questions you need to ask your State regarding opening a Resource Center.
- **"Official Affiliate Resource Center Covenant Agreement Packet"**.....is the official agreement between Vision and the Resource Center affiliate. This document should be read and thoroughly understood. Call or email us at (760) 789-4700 or tklaus@vision.edu or dklaus@vision.edu if you have questions about the agreement.

We hope and pray that you will prayerfully consider the benefits of opening a Vision Resource Center in your church or ministry. If you have any further questions, please do not hesitate to contact us.

God's Blessings,

Tal Klaus
