Associates in Ministry

Course of Study

OUR MODEL FOR MINISTRY TRAINING

In the Old Testament, the training for ministry was Spirit-led and was birthed in the school of the prophets. In the New Testament, the best model for ministry training is seen in the church in the cities of Antioch and Ephesus, as seen in Acts 11:19-26, 13:1-4, 14:26-28, 15:30-35 and 19:1-20.

Here we see the church in the city, alive with the power of God, with Paul, Barnabas, Silas, Dr. Luke, other prophets, and teachers, raising up men and women for fruitful ministry. They did so under the authority of the elders, and were accountable to those who sent them out.

This remains our model for education. Vision International University is more than an academic institution. It is an educational ministry with spirit and power and a focus on the restoration and transformation of lives, cities, and nations by the power of God.
