**OUR MODEL FOR MINISTRY TRAINING**

In the Old Testament, the training for ministry was Spirit-led and was birthed in the school of the prophets. In the New Testament, the best model for ministry training is seen in the church in the cities of Antioch and Ephesus, as seen in Acts 11:19-26, 13:1-4, 14:26-28, 15:30-35 and 19:1-20.

Here we see the church in the city, alive with the power of God, with Paul, Barnabas, Silas, Dr. Luke, other prophets, and teachers, raising up men and women for fruitful ministry. They did so under the authority of the elders, and were accountable to those who sent them out.

This remains our model for education. Vision International University is more than an academic institution. It is an educational ministry with spirit and power and a focus on the restoration and transformation of lives, cities, and nations by the power of God.

**The Associates**

The AA degree lays a foundation in the knowledge of God’s word and practical service for every student.

---

**Program Goals:**

Upon completion of the program, the student will be able:

- To prepare for ministry service in their home or local church.
- To develop a sense of biblical and theological literacy.
- To effectively study, teach, preach, counsel, and lead.
- To prepare for the task and responsibilities of ministry.

---

To complete the Associate degree, the student must take at least 30 credits (10 courses) from VIU.

The Associate of Arts (A.A.) in Ministry is a two-year undergraduate degree program (60 credits) designed for practical and theological preparation for Christian ministry. The program is designed to assist the student in transitioning into a third year program and a Bachelor’s degree program.
