MASTER OF ARTS in CHRISTIAN EDUCATION

Course of Study

Course Description:

The Master of Arts in Christian Education is designed to provide advanced training in biblical principles of Christian Education. This degree prepares one to do educational tasks in a Christian setting. Among these are teaching, supervising, developing, and implementing Christian education programs.

The program has been approved by the Association of Christian Schools International (ACSI) for provisional teacher certification. Check with the ACSI branch in your district to be certain of the acceptability. Students desiring state licensure or certification should check with their state authorities before entering the program to ascertain if it is acceptable in their state. Graduates of the degree program may not be eligible to sit for applicable licensure exam in California or other states. The program may be creditable on school salary scales. For those who are already in a school position, check with the administration of the school regarding acceptability.

Program Goals:

- To provide advanced knowledge of Christian Education practices and techniques.
- To provide knowledge and skills that would allow one to do Christian Education tasks in a church or school setting.
- To provide adequate knowledge of the laws and ethics of Christian education.
